

ROMERO, BRIXSONN M.

brixdodd07@gmail.com || +639485716293
Naga City, Camarines Sur, Philippines 4400

Computer Science student specializing in backend development and data analytics, with strong foundations in system design, data structures, algorithms, and problem-solving. Passionate about building scalable systems, data-driven solutions, and reliable backend architectures. Experienced in MERN stack development, API design, database systems, and analytics-driven thinking. Highly motivated to learn, adapt, and grow, with a strong curiosity for new technologies and best practices. Seeking an internship or junior role where I can contribute to real-world systems, collaborate with experienced engineers, and continuously improve my technical expertise.

EXPERIENCE

Department of Social Welfare and Development Camarines Sur | 2022–2025

- Encodes, organizes, and maintains accurate beneficiary and program data to support efficient delivery of social welfare services.

EDUCATION

Bachelor of Science in Computer Science

Naga College Foundation Inc. | 2022 – Present

Computer System and Servicing

Camarines Sur National High School | 2019–2021

ACADEMIC ACHIEVEMENTS

- **Dean's Lister** – Naga College Foundation, Inc. (2022 – Present)
- **Idea2Startup Bootcamp** – Participant, Naga College Foundation, Inc. (2023)
- **CCS Start-Up Bootcamp with LGU** – Participant, Naga College Foundation, Inc. (2024)

PROJECTS

NagaMed: Streamlining Clinic Bookings and Management

Role: Data Analyst and Assistant Project Manager

- Developed a mobile-based healthcare app for clinic booking and nearby clinic discovery in Naga City.

ResqYOU: An Emergency Response and Locator System Using Dijkstra's Algorithm

Role: Full Stack Developer

- Developed a real-time emergency response and location tracking system using Dijkstra's Algorithm.

Project - CYA FaithWear (2025)

Role: Full Stack Developer

- An e-commerce merchandise platform for Christ's Youth in Action at Ateneo de Naga University, providing faith-inspired apparel and products for the campus community.
